

Where time travel is real!

Celebrating 65 Years of Exploring!

A955.251.001 - Robert McKay

A965.016.004 - Hector McKenzie & sturgeon

The **Warton fishing** industry was dominated by the Warton fish house, which started packing, freezing and shipping fish in 1883. In 1891 20 tons of ice a day were needed to preserve the catch. The ice was harvested from Colpoy's Bay during the winter. In the Municipality of **South Bruce Peninsula**
